

## Progressive Big Bass

The **SOBC** would like to announce our newest incentive program.

Thanks to **Kyle Maynard** and **Tim Hart** we will be starting a **Progressive Big Bass pot**.

Kyle and Tim have donated \$100.00 to start the pot.

Here is how it will work.

Starting with the **June 25<sup>th</sup>** tournament at **DEER CREEK LAKE**.

At each SOBC tournament members will be able to signup. It will cost \$5.00 per person per event. The 1<sup>st</sup> person to weigh-in a 5lb or larger bass that has paid entry at that event will win the entire pot. If no one wins the pot will carry over to the next tournament.

By the end of the season it could reach \$400.00 or more.

Don't be the one that catches a 5 lb plus fish but did not enter the contest that day.

Let's all give Kyle and Tim a special thanks.

Here are some other NBAA and SOBC programs to keep in mind. Visit the NBAA web site for details.
